

Prepare Your Skin

Skin preparation is an essential part of your beauty regime. GERnétic's gentle yet effective cleansing method thoroughly removes make-up, impurities and dead skin cells, leaving your skin balanced and refreshed, ready to absorb the active ingredients from your chosen products.

GERnétic – The radically peaceful solution to skin care
GERnétic International is a revolutionary skin care brand that harnesses advanced technology to apply nutrition through the skin. The results achieved are based on the body's ability to recover its health and harmony when its cells receive nutritional and active molecules.

CLEANSE

www.gernetic.co.uk

Glyco Cleansing Milk

A delicately textured cleansing milk, ideal for all skins, it dissolves make-up and removes surface impurities. Rich in glycol-proteins and nourishing oil, its soothing and hydrating action balances the skin's pH and leaves the skin feeling clean, supple and refreshed.

Use morning and night and follow with Fibro Toning Lotion

Fibro Toning Lotion

A fresh scented toning lotion to soothe, purify and tone the skin. Fibro is recommended for all skins, even on the most sensitive. This alcohol free lotion combines the perfect synergy of five plant extracts and amino acids to balance the skin's pH, decongest and soothe the skin.

Use morning and night after Glyco Cleansing Milk or on its own

Derma Facial Wash

Derma liquid soap is a highly recommended cleanser for skins that have a tendency to be oily and that present blackheads and/or pimples. Its light emulsion cleans the skin gently but deeply. Derma reduces sebum secretions and lowers the skin pH, building a barrier to keep germs at bay.

Use morning and evening a few times a week

Marine Gummy Cleansing Gel

An exfoliating gel containing microcapsules that dissolve when it is massaged on the skin, releasing trace elements from marine sources. Suitable for irritation-free skin, this gentle cleansing gel removes dead skin cells for a smooth and rejuvenated complexion. Your skin will be exceptionally radiant.

Use 2 to 3 times a week

GerPeel

This gentle peeling cream is perfect for oily skins. It is specifically designed to eliminate dead skin cells, blackheads and other impurities and to clear clogged pores. GerPeel contains microcapsules that dissolve when it is massaged on the skin, releasing a synergy of soothing plant extracts for a deep cleansing action, leaving the skin exceptionally clean and radiant.

Apply once a week

Flower Acid Lotion

This unique blend of flower acids increases the natural activity of the skin's enzymes that stimulate the elimination of dead and damaged cells. Flower Acid Lotion is a gentle peeling lotion that does not damage living skin cells. It improves hydration, revitalization and cellular renewal, which results in a more luminous complexion with no uncomfortable results.

Recommended in a course of one bottle every 3 or 6 months.
